

Leaving a Legacy to Depression Alliance

About Depression Alliance

Depression Alliance is the leading UK charity for people with depression. We work to relieve and to prevent this treatable condition by providing information, support and understanding to those who are affected by it. We also campaign to raise awareness amongst the general public about the realities of depression.

You can support Depression Alliance by leaving a gift in your Will called a legacy. Leaving a Legacy will help enable Depression Alliance to continue to provide vital services to future generations of people affected by depression.
